

ANAND MINISTRIES to

GLOBAL ASIAN INDIAN MINISTRIES

**Simon, Anjana & Sylvanas
Gounder**

Friends and Partners,

We bring Godly greetings to you. God is good and we continue to experience His goodness as we journey on in our ministry.

A new era has begun for Anand Ministries. We have incorporated the ministry under a new name and a new look. Our ministry is now known as Global Asian Indian Ministries with the acronym Global AIM. Our missionary status remains the same with US Missions.

We are branching out as we add on more ministry partners working in different cities across the United States. These partners we consider as our missionaries, working with us to reach their neighbors for Christ.

The economic situation may be bleak but we have seen God come through with provision for the ministry to move on. Our desire is to be able to support our associate missionaries and compensate them for ministry related expenses.

TESTIMONY

My name is Tanusha and I am from Durban, South Africa. I met missionaries Simon and Anjana Gounder at an outreach, that they were involved with during the Diwali festival in Artesia in 2008. Ever since, they have been such a blessing in my life. They have assisted me in many aspects of settling into LA and still to date continue to give spiritual advice. I have seen them help many others who are in need. I love and appreciate them very much. I thank them for all their love, prayers, care and kindness. I pray God's richest blessing and prosperity upon them, and their ministry, in Jesus name, Amen!

Artesia Community Church continues to be a blessing to surrounding cities, providing a platform for ministry to Asian Indians. We have started a 9.00am English service for people who need to be at work by 10.30am and also to cater to non-Hindi speaking people. God is providing workers for the different ministries of the church. Our prayer is for a pastor for the church so we can be free to minister in other cities.

We have been heavily involved in different aspects of practical and spiritual helps. Some of these include helping people to find jobs, arranging homes, immigration issues, vehicle purchase, marriage mentoring and spiritual counseling. Amidst these activities God provides opportunities for sharing the Gospel.

God has been healing people and answering prayers.

Simon with people we are ministering to in Fresno, CA

Showing the Jesus DVD (in 16 Indian languages) in the Punjabi language, from his laptop.

Commit your way unto the Lord. **Trust** also in Him and He will bring it to pass...rest in the Lord and wait patiently to act. Psalm 37:5,7.
