A Newsletter from Anand Ministries – Reaching out to Asian Indians in USA

Vol. 3

June, 2005

## ***Praise the Lord!***

Hope you all are keeping well by the grace of God. We have made it thus far and have great plans for going forward. Anjana is now fully involved in the ministry and God has been graciously providing for all our needs. Sylvanas is becoming quite a seasoned traveler with all the traveling he's been doing with us. His teacher reports that he's been doing well in school as well. He's very interested in playing basketball and we have just enrolled him in a class for that.

## **Roadrunners**

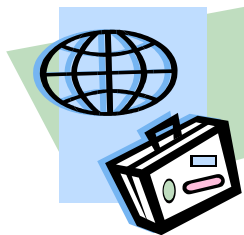

Since our last newsletter we have visited many churches and have met a lot of wonderful people. Along this journey we have been as far as Imperial, Hemet, Santa Maria, Fresno, Sacramento and San Francisco usually doing two services per Sunday. Anjana has also been teaching in Sunday school classes where invited. The LFTL tour turned out well for us and we were able to make a lot of friends with Pastors, lay folks and missionaries.

## **Artesia Church**

Work on the building has begun. The interior has been stripped and different churches are working on their projects. We'd like to thank the Presbyter and the pastors of the Orange (County) Section for their commitment towards this project – Extreme Church Makeover. The Anand Ministries Office has been renovated by the La Mirada Living Faith Church and we'll be moving in soon.
