A Newsletter from Anand Ministries – Reaching out to Asian Indians in USA

Vol 4

August, 2005

Friends,

In the first week of July, Simon was able to meet 17 pastors in Honolulu, Hawaii. He returned on July 11th and we left home (for a month long itineration) on July 16th and drove to Phoenix, AZ for our first meeting. We had a few services and face to face meetings there and then on to New Mexico, Colorado, Utah and Nevada for the same before we finally arrived home on August 12th. We were blessed to attend the General Council in Denver during this time and were able to meet a lot of missionary and pastor friends.

We saw a lot of lives touched, many people receiving salvation and getting healed in our services. It gives us great joy to see people inspired to reach out to the Asian Indian community after we share our ministry. Our CD is being well received and we are hoping many will be reached by this means.

Please pray for us as we are looking for a place to stay in or around Artesia. We have to move by 1st September so Sylvanas can start school. We are planning our first street outreach in Artesia (Little India) on September 11th with help from La Mirada Living Faith church.

We are grateful to pastors who took their time out to meet with us or invited us to minister in their churches. Please help speed this ministry by submitting your Faith Promise forms as soon as possible...**so that we can preach the gospel in the regions beyond you. 2 Co 10:16.**
