

ANAND NEWS

A Newsletter from Anand Ministries – Reaching out to Asian Indians in USA

Vol 8

June, 2006

Greetings from the Anand Ministries base!

May and June have been very exciting months for us as we move ahead in the ministry. We continue to visit churches far and wide in our attempts to wrap up our itineration in a few more months. Pledges have been coming in regularly and God's provision is apparent in material and spiritual ways.

We received a donation of a sound system and an overhead projector from New Hope Int'l Fellowship (Ps Eric & Ruth Angeles) in Bellflower. Valley Community church in Santa Maria (Ps Kevin Gotchal) was generous to provide us an LCD Projector. Our heartfelt thanks to these churches.

We have started using these in our Tuesday night meetings. Great excitement is building up as we move towards our Sunday services from September.

Along with our itineration we have also been speaking at camps and

various celebrations.

Simon was the missionary camp at Hartland, CA. About day camp. First for Sylvania's encouraged in missions. 21 to become missionaries.

speaker at a children's 250 kids attended the 5- Attendees were kids made a commitment

We have also been speaking at various women's celebration meetings, usually held on Saturday mornings. So far we have spoken in San Diego, Ventura, Covina and San Bernardino, CA.

Offerings given at these meetings are used towards our household project. Praise God for these opportunities.

June brought a special joy to our family as we celebrated Sylvania's 9th birthday. He had his cousins gather for a sleep over, which culminated with a celebration in a local park the next day.

Your prayers and sacrificial giving has started to produce fruit as we saw 4 Indian muslims give their lives to the Lord. God leads, we follow and you are with us. A team effort!
